

Veterinary Nurses and Technicians Wanted at VSH – Day, Night, ER and Specialty Nurses!

LEARN ABOUT THE ALL-NEW VET NURSING EXPERIENCE AT VSH

VSH is proud to unveil its all-new, fully reimagined employment experience for veterinary nurses! By joining the VSH nursing team, you'll embark on a personal and professional experience unlike any other in Hong Kong. This includes....

- **Receiving industry-leading compensation and generous benefits.** Did you know VSH offers a **Health and Wellbeing "Happiness" Allowance**? You can even use it to pay for holidays, staycations or anything that brings you joy!
- **Creating your rewarding career pathway.** With generous continuous education allowances, sponsored certifications and our all-new inhouse **VSH Nurse Pathway Program**, designed to develop the most highly-skilled veterinary nurse, there are limitless career pathways you can take. Develop skills in inpatient care, urgent care and emergency critical care, and specialty services including cardiology, dermatology, internal medicine, ophthalmology, surgery and more.
- **Global opportunities await.** VSH is a proud member of the Mars Veterinary Health family which includes 65,000+ associates and 2,500+ veterinary clinics, hospitals and diagnostic labs in over 20 countries. As a nurse at VSH, you have the global resources and support like no other available in Hong Kong, and can explore opportunities to work abroad and take advantage of career advancement opportunities across the global Mars family of veterinary hospitals and more.
- **A hospital that invests in the well-being of every associate and their loved ones.** Foremost, VSH is a group of veterinary professionals that believe in mutual respect, support and compassion of one another, which defines our hospital culture. We are also acutely aware of the unique stressors of the veterinary profession. The **VSH Associate Assistance Program** is a unique work benefit that provides free confidential support and services, available 24 hours a day, 7 days a week, 365 a year, aimed at energizing you and your loved ones' emotional, mental and physical wellbeing, and is specifically aimed at making your work and personal life happier, healthy and more enjoyable.

Who we are looking for:

- Candidates who are fluent in spoken English and Cantonese with experience in translation a plus
- Relevant working experience is preferable

Why VSH?

- 13th month bonus
- Monthly Octopus allowance
- Annual performance-based review
- 3.5 – 4 shifts per week
- Generous night shift allowance
- Rotation on weekend and public holidays
- Generous yearly allowance for Health and Wellbeing and Continuing Education
- VSH Nurse Pathway Program for nurse training and advancement
